

# EXPERIENCE TWO WEEKS IN THE HEART OF EUROPE

Come with us to Prague, Czech Republic, to learn about this historic city and the surrounding area of Central Europe. This adventure will take you to historic cathedrals, amazing castles, beautiful chateaus and famous breweries. You'll also see classic architecture and significant World War II sites. The program will also focus on how the agricultural industries of the region have adapted during the post-communist period. Added features include a weekend trip to Krakow, Poland, and a free, long weekend for a personal or small group excursion to places like Berlin, Budapest, London, Paris, Rome, Salzburg, or Venice!
